### **ANNOUNCING....**

On Sunday, September 3rd, Rev. Amanda announced that St Michael's Parish Hall will be renamed the Keith Coppage Mission Center.

As Keith celebrates his 30th year teaching at Mount Diablo high school, it seems like this was the right time to honor him. He has worn many hats during his time at St Michaels. He has served as musician, Senior Warden, Junior Warden and sometimes facilities manager. Beyond that, his ministry with The Grant Street Players has been a such a blessing both to the people of St Michaels and the people of St John's. The kids (young adults) have brought so much life to our church as they share their time, treasure and musical and dramatic talents. They have become a vital part of our worship and our community life. The fact that they are always ready to lend a hand with light hanging, gutter cleaning, pew moving and myriad other things to keep our church plant going is the icing on the cake.

To say that Keith was speechless when this was announced would be an understatement! On October 1st, following the Festal Eucharist for St Michael's day, the newly named Mission Center will be blessed. We will celebrate not only Keith contribution's to St Michael's and the young people he has taught, but the contributions of each and every person who has spent time in our midst over the last 70 years.
