The Non-Event Returns

For those of you who do not know what a non-event is-each person and/or family decides how much you could give to St. John's if you were not asked for additional funds (not counting your pledge) for the rest of the year. We ask that you think how much your time is worth if you had to come up with a donation to a fundraiser, how much time you would have to spend setting it up, how much you would spend for tickets to the event, and how much time putting things back together again. We then ask you to write a check with all that in mind and place it in a colorful envelop located in the church and put it in the offering plate. We will do this non-event on **Sunday, June 24th** when we will have a special half year St. John's Day service. To celebrate after the service we will have an extended coffee hour with Rev. Amanda in attendance! We just ask you to bring a small lunch/brunch dish to share while we wait to discover how much we have raised. Thank you in advance for your thoughtful contribution. We all love St. John's and want to continue to do the good work we have begun. Many of you may think that since we sold the lot that we are fine money-wise, but that money can not go for the everyday running of the church. We need to maintain our buildings and promote our services.

That is what we are hoping to do without the hard work of a big fundraiser.
Please help! If you have any questions or suggestions,
please call Carol Henshaw 925-673-8745.
