### The Non-Event Returns

As we get close to our Non-Event "party", I want you to think about this suggestion. A prior donor to the last gala gave a dinner in her home. She figured that the shopping, preparation, set-up and clean-up was about 8 hours of her time. Using \$15 as minimum wage that comes to \$120 for her time. The food, etc for the dinner came to \$300.00. As she is such a nice person, she could figure that a check for \$500 would save her a lot of hassle, and then a little extra to make her a generous person. That does not even take into account \$25.00 per person for a ticket to a gala! Think of how this might apply to you when you are considering your donation.

Our "party" is on **June 24th** at coffee hour after the service. The service is going to include some great Celtic music. All we ask is that you bring a brunch/lunch dish to share.
